

**the many worlds
of speculative fiction**
with **edward m. lerner**

Join Tor Books author
Edward M. Lerner
for a discussion of all manner
of imagined realities on
Friday Jan. 22, 7:00 pm
at
WriterHouse

Tor Books author Edward Lerner's imagination has taken readers to colonies on other worlds in the 27th century, let loose murderous computer viruses in the internet, and shown what happens to humans when nanotechnology runs amok. He will share his thoughts on the genre of speculative fiction in all its many forms. Free and open to the public.

**Writing Speculative Fiction
Seminar, January 23-24**

Love science fiction or fantasy?
Writing for these markets
requires all the basic authorial
skills—and much that's unique
to the genres. Mr. Lerner will
teach an intensive, two-day
seminar at WriterHouse.
Registration required.
